Manzanares v. Corporation of the Presiding Bishop of The Church of Jesus Christ Re: of Latter-Day Saints and Corporation of the President of The Church of Jesus Christ of Latter-Day Saints and Successors, et als

Dear Mr. Kump:

I tried calling you this afternoon, but you were not available to talk with me.

As discussed in our prior conversation, we would like to have Ms. Manzanares evaluated by our expert in New Mexico. Dr. Foote is located in Albuquerque and is available September 12 and 13 for the evaluation. The evaluation will take two days. If traveling back and forth from her home is too burdensome for Ms. Manzanares, we will pay for a room for her near Dr. Foote's office.

As you know, the date for disclosure of experts is fast approaching. Please respond quickly and let me know if these dates are acceptable.

Re: Manzanares v. Corporation of the Presiding Bishop of The Church of Jesus Christ of Latter-Day Saints and Corporation of the President of The Church of Jesus Christ of Latter-Day Saints and Successors, et als

Dear Mr. Kump:

Earlier this week I sent a letter requesting a stipulation to have our expert, Dr. Foote, examine Ms. Manzanares on September 12 and 13, 2007 in Albuquerque, New Mexico. Please let me know whether this is acceptable as soon as possible. Otherwise, I will be forced to file a motion with the Court.

On a related note, we have not received any documents supporting Ms. Manzanares' claim for emotional suffering. As you know, FRCP 26(a)(1)(B)& (C) require that the Plaintiff produce all documents in the possession, custody, or control of the Plaintiff that will be used to support her claims and all materials bearing on the nature and extent of injuries the Plaintiff has suffered. Obviously, we will need these documents for our expert to appropriately examine Ms. Manzanares. Please provide those to me as soon as possible so I can forward them to our expert.

Sipearely

I look forward to hearing from you.
